2	Josip	Bošnjak	Bok. Moje ime je Josip. Ovo je moj prvi upis u bazu podataka. Trebalo bi poboljšati dizajn stranice i trebalo bi se poboljšati da ne piše na stranici undefined variables. To piše jer su varijable trebale biti deklarirane na početku. Lijep pozdrav.
3	Ivan	Ivić	Veličina polja za feedback mi se ne sviđa. Trebalo bi to promijeniti.
4	Ryno	gt4	Hello i do not understand lot of this stuff on this website. Can you add some translation on english please? I would appreciate it.
5	Josip	Bošnjak	Napravljen unos feedbacka za stranicu. Popraviti bug koji dodaje prazno mjesto u tablicu. Napraviti neki captcha za odgodu novog unosa.
6	Josip	Bošnjak	Sada treba napraviti registracijsku formu. Treba napraviti i stranicu koja omogućuje adminu da uređuje feedbackove. Feedbackove može vidjeti samo admin.
7	Josip	Bošnjak	Napravljen unos feedbacka za stranicu. Popraviti bug koji dodaje prazno mjesto u tablicu. Napraviti neki captcha za odgodu novog unosa.
8	Josip	Bošnjak	Sada treba napraviti registracijsku formu. Treba napraviti i stranicu koja omogućuje adminu da uređuje feedbackove. Feedbackove može vidjeti samo admin.
9	Marko	Rašica	Kad će više taj chat ili forum?
